Dear Wildflower Days *Wildflower Market* Applicant,

Preparations for our 3rd *Annual Johnson City, Texas Wildflower Days* are underway!

Johnson City, Texas Wildflower Days, April 19 and 20, 2008, is a two-day celebration of one of the most natural wonders in the Texas Hill Country with Johnson City, Texas right in the middle of all of that beauty! This year's event is particularly important as we join with the Lyndon B. Johnson National Historical Park to honor our 36th President, Lyndon B. Johnson in a centennial celebration, and participate in Blanco County's Sesquicentennial and remember Lady Bird Johnson and her unflinching love for the wildflowers.

This event is produced by the Johnson City Chamber of Commerce and a group of committed volunteers. Festivities will include the Wildflower Market with food and product vendors, arts and crafts, live musical entertainment, demonstrations and fun activities for the whole family.

Each year, the Texas Hill Country is flooded with nature enthusiasts looking for the best wildflower sightings and local Hill Country activities. The Johnson City Chamber of Commerce is committed to providing a highly advertised quality event that will offer the activities these visitors are drawn to. This event has full support of the Johnson City community and we expect it to grow in size through the coming years.

The *Wildflower Market* includes a wide variety of crafts and the work of artists, plus the bounty of plants, seeds and assorted agricultural products produced by farmers in the region. Participation from local artists is encouraged and very important to this community. This year's booth fee has been reduced to provide you an opportunity to participate in the celebration at a very low cost. The booth fee, due with your application, will be cashed after you are notified of your acceptance.

If you have any questions, please contact the Johnson City Chamber or contact me directly.
